COMMENTS:

During the campaign he was hurt at work and eventually ended up in Physical Therapy, out of work (under workmen's comp) and having shoulder surgery for a torn rotator cuff and torn biceps. He was also required to see a Cardiologist and has an Abdominal Aortic Aneurysm, and then toward the close of the campaign his wife (she has a compromised immune system due to R/A and Lupus) caught an infection in her face which put her in and out of the Hospital for the better part of 2 almost 3 weeks. At the time he was overwhelmed. There was no malice, or any intent on the report being late I was just overwhelmed at the time.

To Whom It May Concern:

My name is Randy Pijor, and I ran for City Marshal in Terrebonne Parish and I am in receipt of the registered letter in-reference to one of my campaign reports being late, and that there is a possible fine of \$600.00. I also apologize for responding so late, as I am recovering from shoulder surgery.

It was not my intention to be late with the campaign finance report as the other reports were on time. I also understand that you do not allow mitigating circumstances, however, mitigating, un-mitigating, or other, there were circumstances that occurred that I was not ready to deal with and became overwhelmed and am asking for a waiver of the fines.

During the campaign I was hurt at work and eventually ended up in Physical Therapy, out of work (under workmens comp) and having shoulder surgery for a torn rotator cuff and torn bicep. I was also required to see a Cardiologist and have an Abdominal Aortic Aneurysm, and then toward the close of the campaign my wife (she has a compromised immune system due to R/A and Lupus) caught an infection in her face which put her in and out of the Hospital for the better part of 2 almost 3 weeks. At the time I was overwhelmed. There was no malice, or any intent on the report being late I was just overwhelmed at the time. One of the employees from the Ethics Board got in touch with me and was very professional and walked me through the report, and in closing everything out. She was Professional and helpful. There is nothing else I can add to this request for a waiver of the fine.

I understand the reason for the Ethics Board and was not in any way attempting any fraud or deceit. And at this time I wish thank you for any consideration given in this matter
